2nd CALL FOR PAPERS

Dear Colleagues and Students,

As the conference date is approaching, let me share some information with you about the conference. At the moment there are 44 bachelor, master and PhD students who registered to the conference with presentation. We consider it a great success and we hope that all of the participants and presenters, committee members will be satisfied with the program and find the forum suitable for professional and informal discussions. We are really grateful for those professors who accepted our invitation for being committee members or reviewers.

Please do not forget that the registration deadline expired already, and the deadline for submitting the full paper is 6 November 2015.

Publications:

Please be informed that all the full papers will be published in a conference proceeding, on a CD (with ISBN number) and some of the selected papers will be published in one of the following journals after the conference:

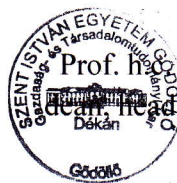

- **Studia Mundi Economica** (online journal of the Szent István University, Faculty of Economics and Social Sciences),
- **Visegrad Journal on Bioeconomy and Sustainable Development**,
- **Polish Journal of Management Studies**.

Costs:

The conference is **free of charge**. The Faculty of Economics and Social Sciences of the Szent István University covers the *editing and printing costs of the conference proceeding, the organizational costs, the rent of premises, as well as the buffets during the conference*. Please make sure that you informed the organizers about the exact accommodation need or you booked the room for yourself (the cost should be covered by the participating students). If you have not made a request for the accommodation yet, please contact Dr. Henrietta Nagy. Let me inform you that for the room in the campus, you can pay in forints (in cash) or by credit card.

The organizers provide the necessary technical equipment in the session. Participants are asked to prepare a 10-minute ppt presentation about the aims, hypotheses, results, conclusions and recommendations of their research.

Hope to see you in Gödöllő at the conference,

Prof. h.c. Dr. József Kaposzta
Dean, head of scientific committee
